ASSESSOR HUDSON ANNOUNCES NEW GIS WEBSITE

Brad Hudson, Stone County Assessor, is pleased to announce that the new updated version of Stone County's GIS website is now available for public access.

Citizen's can now go to www.stoneco-mo.us/assessor.htm and, after clicking the "County Map" link, launch the new site. "In order to make this transition as smooth as possible we are giving users the option of using our older site as well as our newer one until the end of the year," Mr. Hudson said. "On January 1st, 2013 our original site will be retired and the new, upgraded site will take its place." Mr. Hudson added that the new site offers faster searches, a cleaner user experience, shareable drawings and dramatically improved printing.

Those who may have questions about the new website are encouraged to contact the Stone County Assessor's Office Mapping Department at (417) 357-6145.
